By submitting my application, I understand and agree with the following terms and conditions:

- It is my responsibility to ensure a complete package is submitted.
- Only complete application packages submitted by the due date will be considered.
- If awarded a scholarship, I agree to permit NPC to confirm my enrollment status.
- My awarded scholarship will not be funded if the Foundation cannot confirm my enrollment in classes.
- My scholarship will be paid to NPC, and the college at its sole discretion may retain a portion or all of my scholarship to pay for amounts outstanding including those for prior semester expenses.
- If awarded a scholarship, I agree to send a thank-you letter to the NPC Foundation no later than one month after the beginning of the semester for which the scholarship was awarded. This requirement must be fulfilled each academic year I receive a scholarship. I understand I may send one letter for all Foundation scholarships received in a given academic year.
- Failure to send the thank-you letter may make me ineligible for future Foundation scholarships and may cause scholarships awarded for later semesters not to be funded.

I agree to the following¹:

If awarded a scholarship, the NPC Foundation is permitted to release my name, the scholarship received, the amount of scholarship, my high school, my current town, and my thank-you letter to the media, publish this information on its website, present this information to community leaders in my town and tribe, and share this information with NPC, my high school, and my county superintendent.

I understand that the Foundation may request me to release additional information and to speak with the media regarding my scholarship and experience at NPC.

I understand that the NPC Foundation is permitted to share my information with the scholarship selection comity.

I understand not granting this release may affect my opportunities to receive scholarships from the NPC Foundation.

¹ *If you are not willing to grant this release, please include a letter explaining the situation with your application. Submission of such a letter does not obligate the NPC Foundation to grant an exception to this requirement.*
